

# Price List 2017

- The listed prices are for standard models with the indicated specifications. We will be ready for your specific requests for instruments of any other tonalities, specifications, materials and etc. to the extent as technically possible. Prices will be individually agreed.
- Prices of some common options (e.g., optional wood materials, decorative articles, bellows, extension keys and etc. ) are indicated at the end of the list (page 5).
- This price list will be valid for firm orders accepted on or before 2017.12.31.
